Brief Intermission

A Child's Garden of Dreams (1982)

David Maslanka

There is a desert on the moon where the dreamer sinks so
deeply into the ground that she reaches hell.

(b. 1943)

A drunken woman falls into the water and comes out renewed and sober.

A horde of small animals frightens the dreamer. The animals increase to a
tremendous size, and one of them devours the little girl.

A drop of water is seen as it appears when looked at through a microscope.

The girl sees that the drop is full of tree branches. This portrays the origin
of the world.

An ascent into heaven where pagan dances are being celebrated; and a
descent into hell, where angels are doing good deeds.
