

SECURITY SURVEY REQUEST FORM

Please complete the non-shaded areas of this form to request the SUNY Potsdam University Police Department to conduct a security survey in your area. Survey location must fall under the purview of the requesting department/office. Once the assessment is complete, UPD will issue recommendations regarding appropriate security/surveillance measures. Subsidization of such measures is neither implied nor implicit. Video surveillance equipment may not be installed without recommendation from the UPD and approval by the Vice President for Business Affairs. Other security measures may be approved by UPD with this form.
